Vickie L. Milazzo, RN, MSN, JD **Biography**

Inc. Top 10 Entrepreneur Vickie L. Milazzo, RN, MSN, JD is founder and president of Vickie Milazzo Institute. Milazzo single-handedly pioneered the field of legal nurse consulting in 1982. According to *The New York Times*, she “crossed nursing with the law and created a new profession.” Her master’s degree in nursing, with a concentration in education, and her law degree uniquely qualified Milazzo to invent this nursing specialty.

Named by *Inc.* magazine as one of the Top 5000 Fastest-Growing Private Companies in America, the Institute is the oldest and largest legal nurse consulting training institute and the only publishing company exclusively devoted to this field. In 1994, Milazzo created the trademark CLNC[®] Certification Program, the first national legal nurse consulting certification. She then built the *National Alliance of Certified Legal Nurse Consultants (NACLNC[®])*, a professional association of 6,000 members. Nationally recognized by attorneys, the CLNC[®] Certification is the official certification of the *NACLNC[®]*.

High-powered legal firms have discovered the value of adding Certified Legal Nurse Consultants^{CM} to their litigation teams as behind-the-scenes experts. The winning combination of an attorney’s legal know-how combined with the nurse’s healthcare knowledge drives their most authoritative and commanding courtroom presence.

A nationally acclaimed keynote speaker and member of the National Speakers Association, Milazzo has spoken for groups such as the Association of Trial Lawyers of America, Texas Trial Lawyers Association, Farmers Insurance and other business and professional organizations.
