

INSIDE EVERY WOMAN
Using the 10 Strengths You Didn't
Know You Had to Get the Career
and Life You Want Now

Expert Guest/Interviewee

Vickie Milazzo, RN, MSN, JD

Expert guest/interviewee for stories pertaining to:

- Nursing, healthcare and malpractice lawsuits
- Legal nursing consulting
- Small business upstarts and wild growth
- Female entrepreneurs and small business owners
- Women's self-help guidance and career advice

- Vickie Milazzo is the founder and CEO of the nation's oldest and foremost legal nurse consulting training institute.
- Celebrating its silver anniversary in 2007, Vickie Milazzo Institute has trained more than 14,000 nurses as Certified Legal Nurse Consultants^{CM}. Milazzo created the first Certification in 1994.
- Milazzo was honored as one of *Inc.*'s Top 10 Entrepreneurs.
- She has built a professional association of approximately 6,000 members.
- Created an entirely new industry – legal nurse consulting – recognized as one of the Top 10 Hottest Job for 2007 by CareerBuilder.
- Milazzo combined healthcare with the law, growing a business with an initial investment of \$100.00 to annual revenues of \$14 million (it's quadrupled over the past six years).
- Her recently published book, *Inside Every Woman: Using the 10 Strengths You Didn't Know You Had to Get the Career and Life You Want Now* (Wiley), was an amazon.com and 1-800-CEO-READ best-seller. It is in its fourth printing and currently ranks in the top 10% of business books sold nationwide. The book will be published in five additional languages in these countries – Bulgaria, China, Poland, South Korea and Switzerland.

- A pioneer in her industry, she was given the Advanta Stevie Award for Women Entrepreneurs, Mentor of the Year.
- Pitney Bows' *Priority Magazine* named her organization as The Most Innovative Small Business.
- Milazzo was a practicing critical care nurse for six years prior to beginning her career in legal nurse consulting and launching a new industry.
- Milazzo has been featured in *The New York Times*, *Entrepreneur*, *Ladies Home Journal™*, *LA Times*, and major newspapers, including these newswires: *Gannett*, *Tribune Media* and *Knight-Ridder*.
- Milazzo delivered her essay, "Stepping Out of Fear" on the *This I Believe®* program on National Public Radio.
- Vickie received the Nursing Excellence Award for Advancing the Profession from *NurseWeek*.
- Her company was named as a Top 100 Small Business in Houston.
- Her company was named as a Top 25 Woman-Owned Business in Houston.
- Her organization consists of about 65% women, catering to an industry that's over 90% women.
